Punch Coronation	26.8	
Starts out quite spicy and settles down to a very nutty, no-nonsense tobacco smoothness. A very pleasant smoke.		
Romeo No.3	25	
Spice, cedar and leather make this mild cigar a nice little treat. With a good burn & very good construction this is very enjoyable.		
Montecristo Open jr.	27	
A small cigar perfect for lighting up when time is short. This size is produced for only one other Habanos, Hoyo de Monterrey, where it is called Le Hoyo du Depute. Enjoy its delicate flavour for around twenty minutes.		
VegaFina	28	
VegaFina Cigars are popular mellow-medium-bodied cigars with no frills and no gimmicks. Handmade in the Dominican Republic, VegaFina Cigars are made with exclusive tobacco leaves grown in perfect growing conditions of sunshine, moisture and optimum soil.		
H. Upmann	29	
H. Upmann cigars exemplify elegance and offer a light to medium-flavoured Habano experience. The blend is carefully crafted using only filler and binder tobaccos cultivated in the prestigious Vuelta Abajo zone, known for producing some of the finest tobacco in the world.		
Cohiba Siglo II	50	
Though this Mareva format resembles those of its kind it has it's own character. With greater lightness, freshness & richness of flavours, this will definitely tempt the nature of those who find Cohibas too strong.		
Romeo Y Julieta Wide Churchill	53	
A modern day classic. Launched in 2010, the Romeo Y Julieta Wide Churchill sets the standard for heavy gauged, medium bodied smokes across the board. Delightfully toasty despite it's thickness, with a subtle dry tannin and mineral to begin with, the cigar's intensely leathery note remains present throughout.
